

Dimplex Authorized Reseller Approval Form

This form is to register all companies that wish to resell Glen Dimplex Americas (GDA) products online. Resellers are those who sell any or all of GDA products online, who purchase directly from GDA or through GDA's list of authorized GDA 3rd Party Distributors.

As an Authorized Reseller of Glen Dimplex Americas, your company will be given the authorization to list GDA products online provided you agree and adhere to Glen Dimplex Americas IMAP policy, as updated from time to time. The IMAP policy is independent from and in addition to any other agreements or contracts with GDA or any 3rd Party Distributors. In the event of any conflict between such agreements or contracts and the IMAP policy, the IMAP policy shall govern.

GDA reserves the right to discontinue doing business with any reseller without liability or warning in the event of violations of the IMAP policy or this form. Any reseller who does not register their contact information below, will not have authorization to resell GDA products or list any GDA products online.

Distributors or Resellers are strictly prohibited to sell the following Dimplex branded products and related accessories as first, second (FBA) or third party to the following retailers or marketplaces (which may be updated by GDA from time to time):

- Products: Optimyst, Opti-V, Ignite, Revillusion
- Retailers such as but not limited to: Amazon, Walmart, Best Buy, Build.com, Lowes, Home Depot, Wayfair, Houzz, Ebay, etc. per authorized by Dimplex

By completing this form, your company will be given direct access to the latest GDA digital content to assist with reselling GDA products and your company will be listed as an Authorized Reseller. This form (and your compliance with the IMAP policy) is governed by the laws of the Province of Ontario. Please complete this form and send it to a GDA representative to review and approval.
