

MatrixX

Faber Five Burner

The MatrixX patented five burner gas fireplace provides the ultimate fire experience, as the flames organically wrap around the logs, while they flicker and dance. Adjust the flame intensity by turning the back burners on for added depth.

Logs

Realistic charred log set to maximize the illusion of depth and the appearance of burning firewood. Combine with loose embers for a custom display.

Light Module

Casts a firelight glow within the media for a truly lifelike effect.

Rear Wall Steel

Provides a clean, solid dark interior finish to work seamlessly with any décor.

Invisimesh

A protective layer of Invisimesh surrounds the glass barrier of the fireplace and provides a warm surface safe for children and pets.

Remote Control

Sit back and relax, while controlling all fireplace features from the comfort of your chair.

e-MatrixX
